

WHS Teen Leaders

2009-2010 Application

The WHS' new *Teen Leaders Program* is an incredible opportunity for youths who want to make a real difference for animals. Participants learn important character building concepts and address the needs of the community, all while practicing leadership, presentation, fundraising and communication skills.

The objectives of the program are as follows:

1. To train teens in the areas of communication, fundraising, advocacy, and leadership styles.
2. To allow teens to actively participate in the community and pass their skills and values on to other teens through volunteerism and fundraising events.
3. To empower teens by giving them the tools to develop projects which inform, educate and raise funds and awareness for The Winnipeg Humane Society.
4. To promote the volunteer ethic among teens, which includes serving as ambassadors for furthering WHS youth development.

The group will attend monthly meetings starting with an orientation in December 2009 and ending in June 2010. Meetings will include special guest speakers to inspire and educate them. Teens will be given the opportunity to take on creative projects and participate in fundraising events for the WHS.
